Constructed Rama Devaru and Shankara-eswara Temples in the Jodi village of Kamnadandra Agrahara and endowed them with his private Villi, the patta being made out in the name of Devarus and arranged for the income from the Ippe trees in the Tope being utilized for Deepa and Dhane. The Tope was taken possession of by Govt and since then, it is in a very neglected condition, the Ippe trees having been allowed to be cut down even by private individuals. He Complains that the Archaks have allowed the Temples to go to ruins & have not been performing Puja regularly though they enjoy the income from the lands, and offers to contribute towards the repairs to the insts and prays for proper arrangements being made for the regular conduct of services.

The Dy. Commrs. present report goes fully into the above allegations.

As for the other temple, the Archak having left the place, on account of plague, the Puje was not done the produce of the Inam lands kept in amanath after deducting Govt dues is reported to be Rs 39-9-9, while the cost of Sampenokshane without which worship cannot take place is said to be Rs 119 and odd. As regards the repairs, two estimates amounting to Rs 2041/ have been received. As the petr has already contributed Rs 987/ which with interest comes up to nearly one-half of the cost of repair, the Dy Commr recommends that the other half viz Rs 1020-8-0 may be paid by Govt.

Departments,(Muzrai Branch).

Sir,

With reference to your Official Memorandum No.321 dated the 18th July 1904, forwarding for enquiry and disposal the petitions of Raghupatiah Shanbhog of Sidlhoskote in the Anekal Taluk, praying that the temples of Sri Ramadevaru and Sri Sankareswara in the Jodi village of Kammasandra Agrahara endowed with lands and a tope whose produce is enjoyed by the Archiks without rendering service therein, and without attending to the repairs thereof should be repaired, and the management thereof may either be entrusted to him or taken over by Government and subsequent reminders ending with Memo No.80/ Muz.83-03 dated 8th July 1910, I have the honor to state as follows:-

2 In the enquiry held by the Amildar it was ascertained that the Archik of Ramadevaru temple had not been performing pooja regularly although he was enjoying the produce of the Inam lands. Necessary steps having been taken in the -- matter the pooja is now being conducted regularly.

3 The archik of the Sankareswara temple having left place, pooja was not at all done therein. The produce of the as was kept in amanut from the year Subhakrutu. The turned up and is willing to take up his work re pooja in the temple Samprokshna has -- The value of the produce kept in icient to meet the cost of

2

of Samprokhna. As the petitioner Raghupathiah states that he would bear the cost of Samprokshna after the necessary repairs are effected to the temple, this amount may be utilized for any other purpose benficial to the temple.

4. Both the temples are reported to be in need of repairs and the cost is estimated at Rs.2041(Vide estimates herewith submitted). The petitioner Raghupatiah contributed Rs.987/- for the repairs of these temples and this sum being kept in Savings Bank deposit amounted with the interest accrued up to March 1910 to Rs.1000-2-5, and it may have by this time come to nearly half of the amount of the estimates. He prays that the other half of the amount viz.Rs.1020-8-0 may be sanctioned by Government. As it is seen that he has been taking keen interest in the affairs of the temple and that he has contributed a large sum for the repairs, I beg to state that his prayer may be favourably considered. If ordered, the amount contributed by the petitioner will be credited to the Muzrai funds of the temple and the estimates resubmitted with countersignature.

5- As regards the tope referred to by the petitioner, it is reported that the same does not belong to the temple, and that one half of it is claimed by one Mukundiah having been gifted to his wife by his father-in-law a gnati of the petitioner -- Raghupatiah. Further enquiry will be held and the matter settled.

6. The petitions of Raghupatiah received with the Memorandum under reference, and those received subsequently together with the Vernacular file of correspondence ending with Bangalore Sub-Division Officer's Yadi No.11 dated 1st July 1910 are herewith submitted for reference and kind return.

I have the honor to be,

Sir,

With reference to correspondence ending with your letter No. 1057 Muz: 432-10-8 dated the 11th March 1913, in the matter of the allotment of funds for the repairs to the temples of Sri Ramadevaru and Sankaradevaru in the Hammasandra Agrahar, Anekal Taluk, I have the honor to state that Raghupatiah states that he has since collected and deposited in the Savings Bank, a sum of Rs in addition to the sum of

of Rs. 1,000/- already collected and kept in the Savings Bank; and further promises to collect the deficit amount of Rs. 252-5-0, soon after the work is begun.

The Amildar, after personal inspection of the temples, reports that they are in need of speedy repairs, that there is no difficulty in collecting such a small sum as Rs. 252-5-0, when a larger sum is surely expected to be collected, only if the work is commenced. He further reports that he has allowed the petitioner to begin burning bricks for the purpose, in anticipation of sanction; and recommends for the early sanction of the estimates.

Hence I beg to resubmit here with the estimates, amounting to Rs. 2041-0-0 for favour of sanction.
